Lines are fun!

Let's have fun  
With different lines—  
Standing lines  
And sleeping lines.

Some are naughty,  
Funny lines—  
Zigzag lines  
And slanting lines.

Some lines turn  
To make a circle;  
Some are full,  
Some semi-circles.

Lines go straight  
Or take a turn  
Lines make pictures  
Lines are fun!
